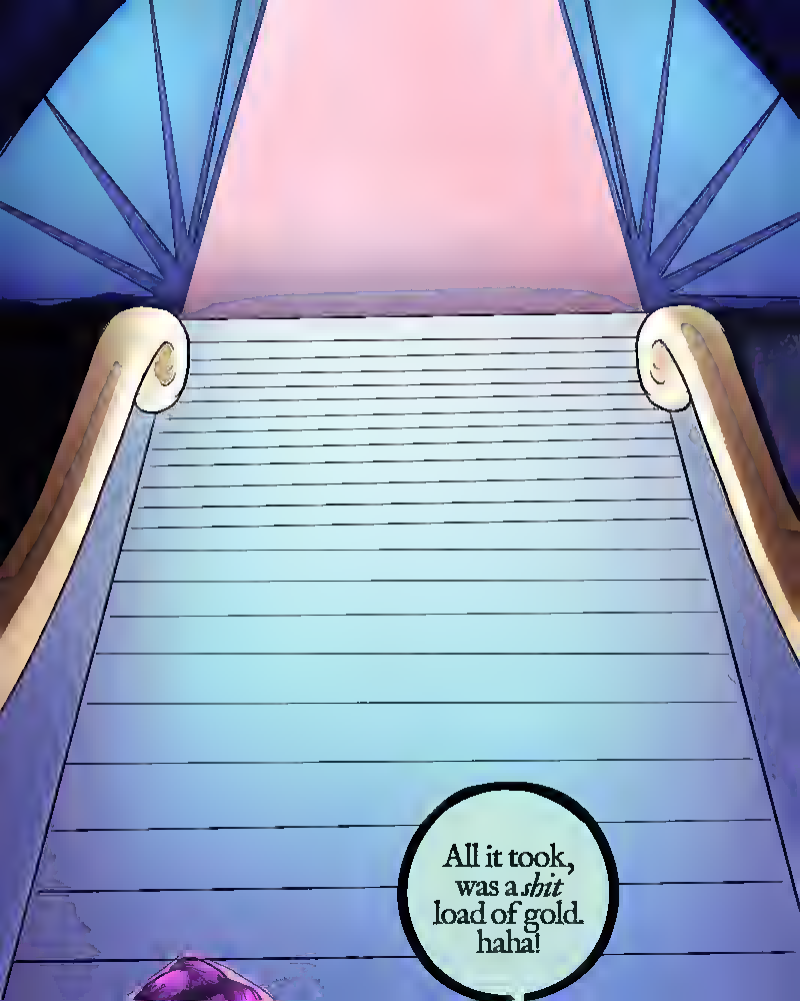
HELIOS:FEMINA

Sonata of the Stars

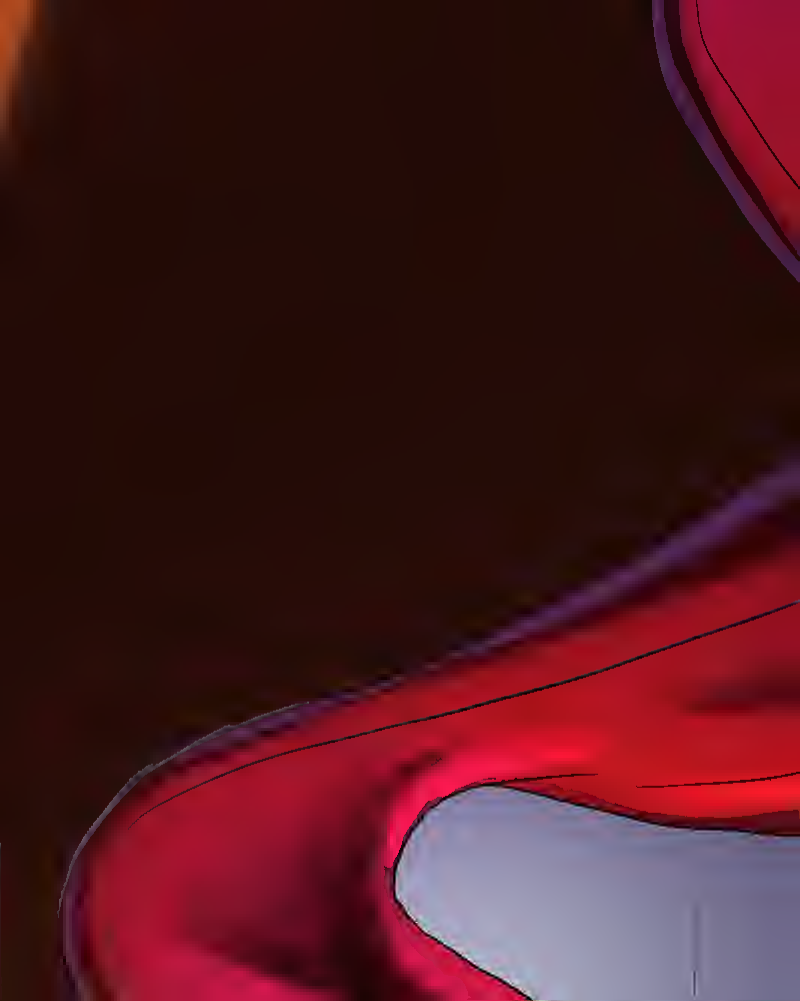
I can't believe how *easy* it was to get in!



All it took, was a *shit* load of gold. haha!

CHUCKLES
They better

I have food,
I'm *starving*



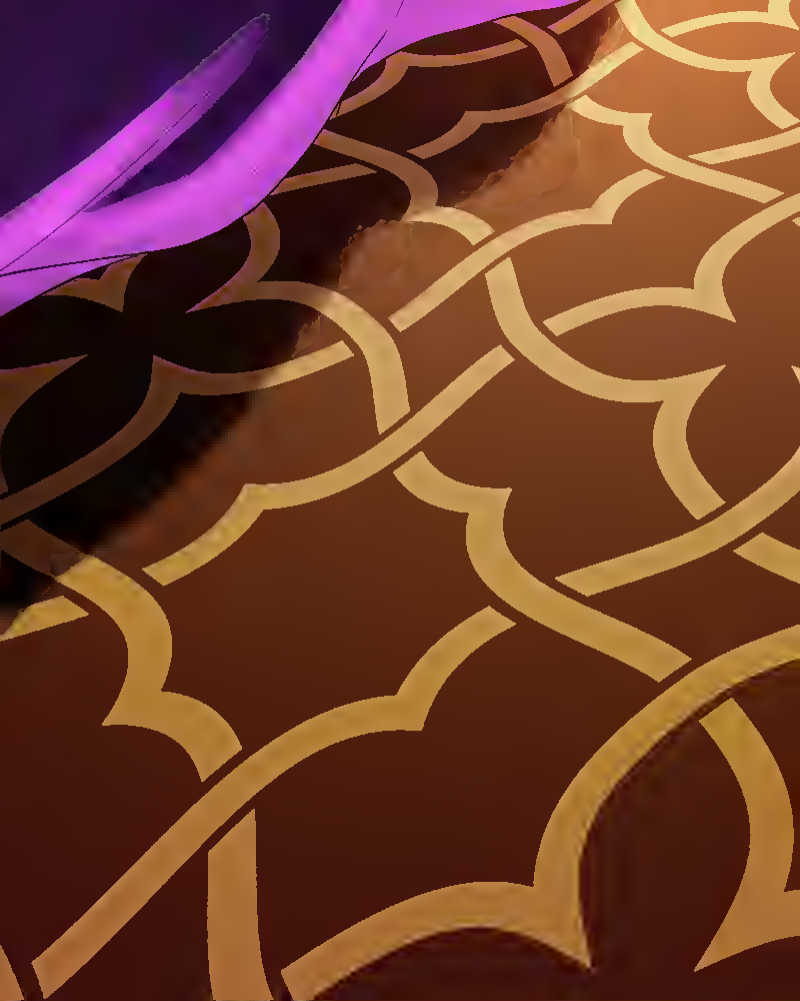
Whistles...
So this is how

the other half lives?
More like the 1%.

I read that 1% of the population are psychopaths.
Hmmm, must be the same percent.

Let's check in.

You made it in okay!
Rhea, did you give the gift box away yet?
Already on it.



Excuse me, I have a gift for his majesty.
It's a rare, handcrafted treasure. Could you keep it somewhere safe?

With pleasure, my lady.

Now, we play the waiting game.

C'mon Rhea! We're at the party of a lifetime.
Might as well scope out the scene while we wait!
Wait, what about Kazu?

He's the designated third wheel tonight. C'mon let's go!

I wonder if Bebo's okay.

I'm still inside... can I come out yet?

Did I... just hear something?
It sounded like Bebo.

Creeeeeepy.

Crazy fan-girls.

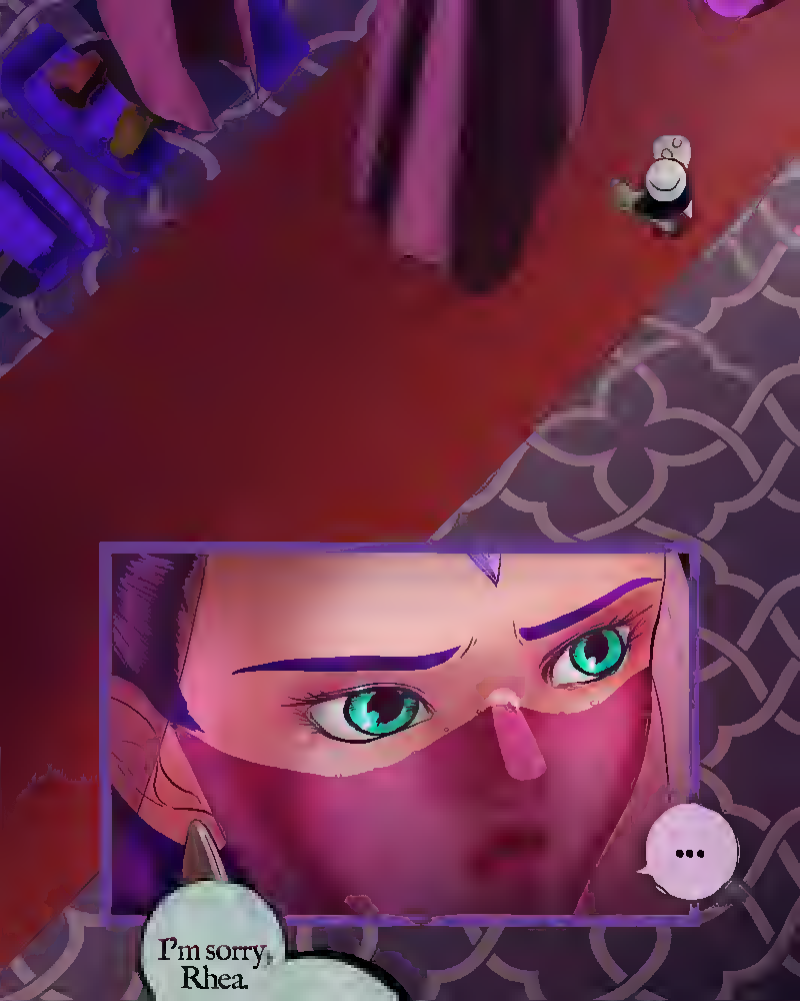
So Rhea, since you used to work here,
do you think the rumors are true?
Ash comes from an ancient bloodline of fallen angels?

Hah... that would mean he's a demon.
Sounds about accurate.

You never told us why your eyeD got deactivated.
What happened?
Ash,

he...
sigh...
that psycho
tried to rape me,
but I fought back.
You can figure
out the rest.

Are you serious?



...
I'm sorry, Rhea.

Hey, if karma doesn't kick his ass, *I will!*
Rhhhh hhheeee eeaaaaaa

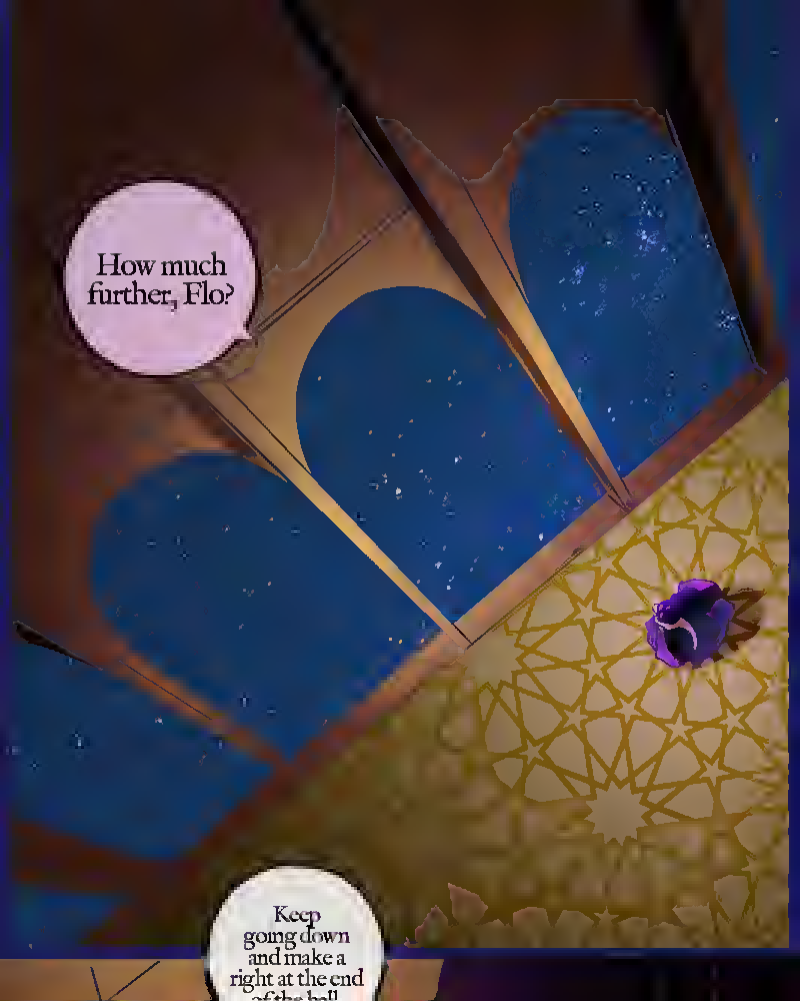
aaa.
Bebo? Is that you?
No... I'm Godddd
Bebo!!!
Haha

ha!
How can I hear you in my thoughts?
The moment you activated the crystal, it established our telepathic connection.
Whoa... this is so cool!
Hey, where are you anyways?
I'm in a garden and I can sense the amulet nearby.
That

could be my Mom!
Wait there! I'll come find you.
Ava, can you locate Kazu and Red? Bebo is in a garden.
Checking... How do you know where Bebo is?
He told me, telepathically.
Fascinating...

Looks like you're right, Rhea.
Red can sense Bebo and is leading Kazu towards a garden.
Perfect, direct me to them, Flo.
I'll come too!
Terra, we need someone to stay in the main area so that we can monitor it.

Fuuuine...
guess that means I'm third wheel tonight



How much further, Flo?
Keep going down and make a right at the end

of the hall.
The garden will be up ahead.

Mom... hold on a bit longer.

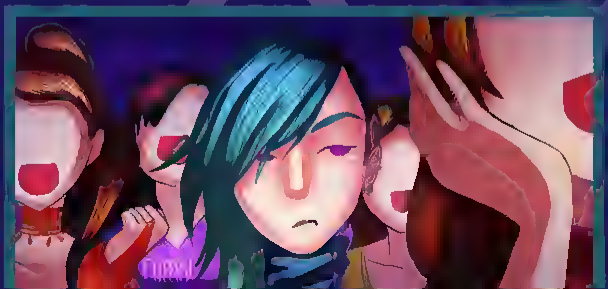
Citizens of Axis Mundi, welcome!

I'd like to thank Heliopolis for hosting this grand event.
My Father, who could not be here, wishes you all well.

Without him, there'd be no Axis Mundi.

My final thanks, is to each and every one of you who came bearing gifts of gold.
This will ensure our future in the heavens!

As your future King, I make this vow to protect this kingdom.
A toast to Atlas, the city of the stars.



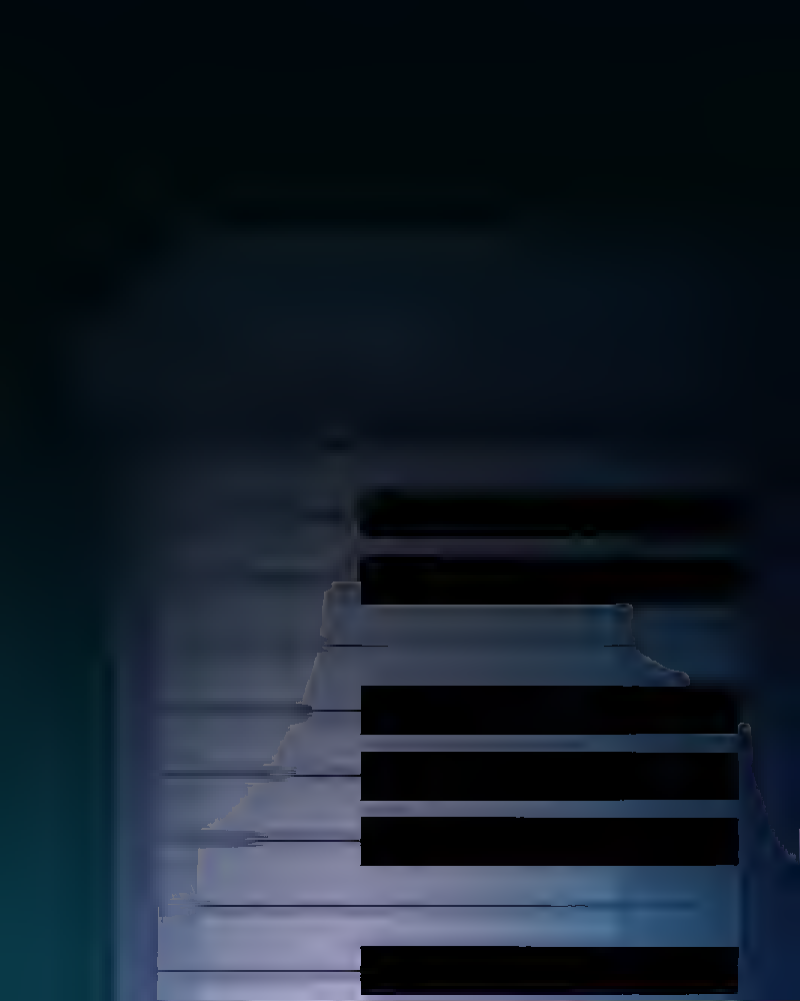
There you are!

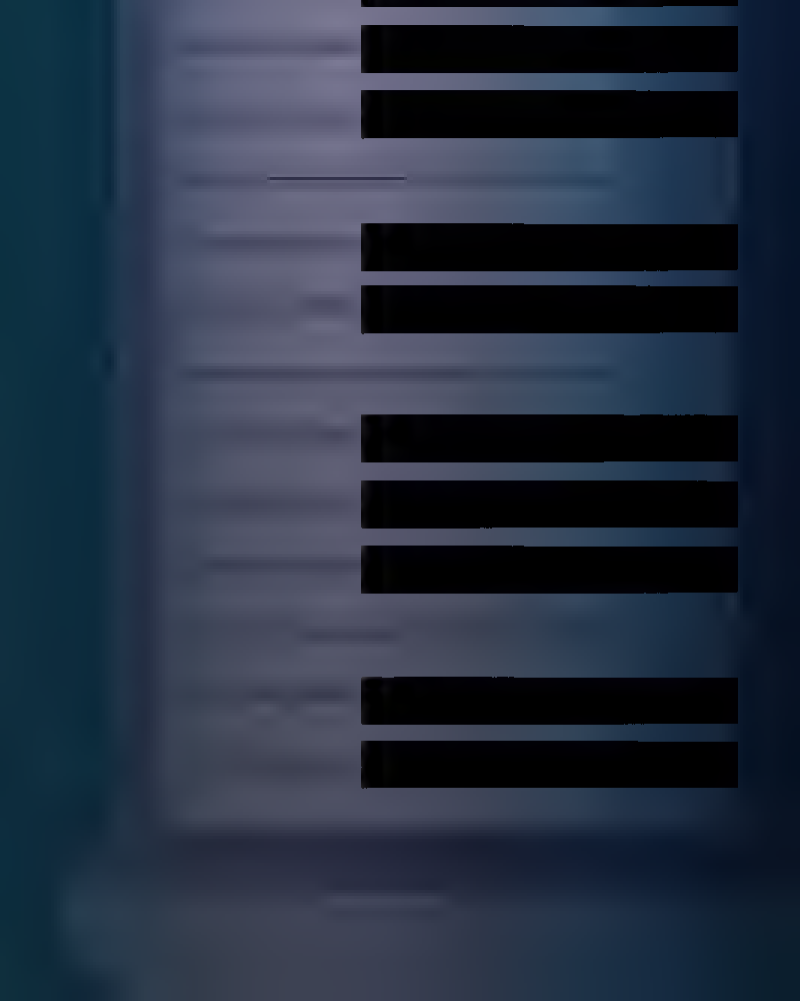
Where's

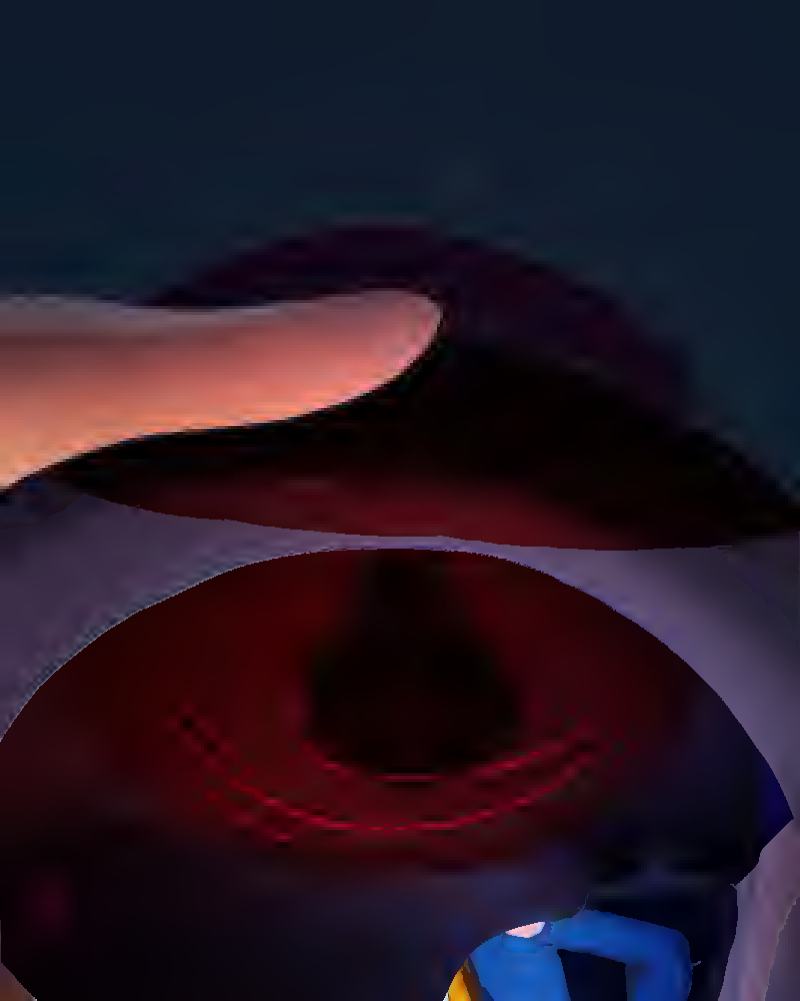
Kazu and Red?
Over there, trying to get the amulet.

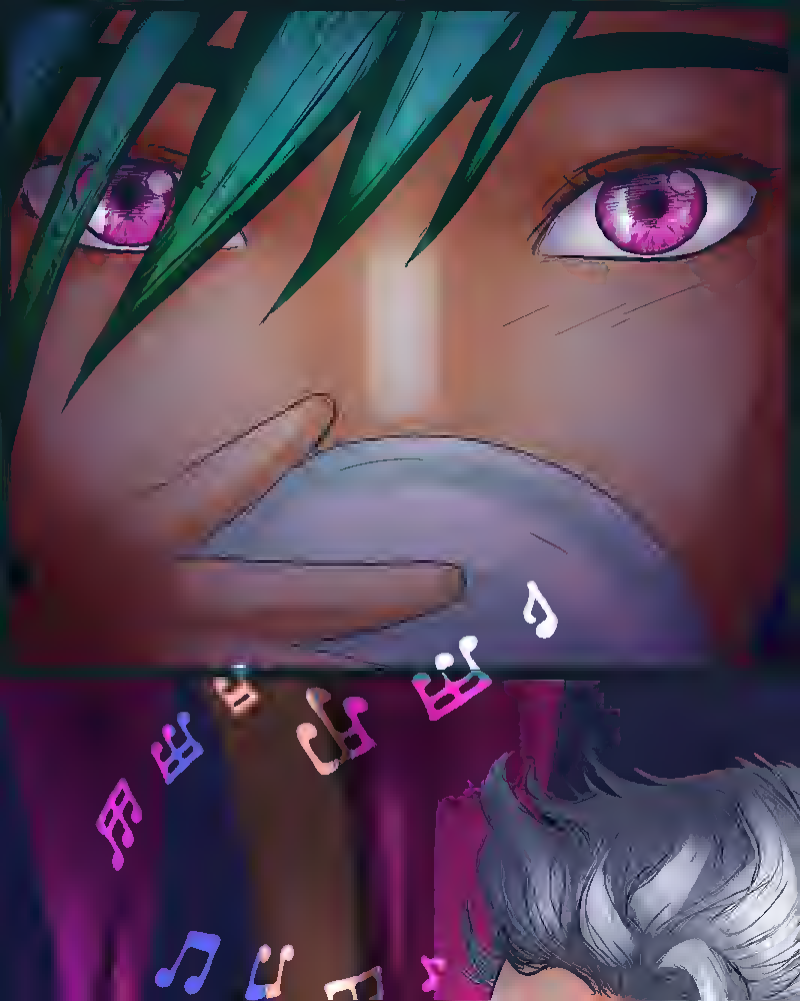
GRRROWWWWWWL

ኦሮሞ ኦሮሚያ









Solomon...

shhhhhhh

ﻣﺎﺫﺍ ﺣﺪﺙ ؟

Rhea,
now do you see?

Not every hero fights
with their fists or sword.
